Morning, I hope you're doing well.

I've never seen or heard of Issac Rushton.

I'll check my Instagram and LinkedIn and see if any of those accounts have messaged me or anything. I hardly use Instagram these days so I haven't noticed anything out of the ordinary.

I'm sure you will, but I would go to the police.

I'll have a look let you know.

Brenton

Hi Brenton,

I hope this message finds you well. It's been a long time since we last spoke, and I know things ended on a bit of a rocky note, but I wanted to reach out about something important that's been on my mind.

Have you had any contact with a guy named Issac Rushton? Or has anyone been in touch with you pretending to be me? There's been some concerning stuff going on, and I thought it might be worth asking if you've noticed anything unusual.

To add some context, Issac is a dangerous man involved in identity fraud, stalking, and drug sales at Kings Cross. He's been targeting me and others, and I believe he may be using fake accounts to impersonate or manipulate people. It also seems that he may be using your name for no good reason, which is very troubling.

I've come across two Instagram accounts—[REDACTED] and [bjow_ett](#)—both created in February 2023. Initially, I thought the [bjow_ett](#) account was you, but I now believe it was actually Issac. For reference, the 'Beat_slaya' account is also connected to him.

Additionally, Issac's business account, Renters Australia, followed [REDACTED], which I believe is your sister's account. It also seems like Issac may have tried to contact you directly on LinkedIn.

I've attached a screenshot showing additional Instagram accounts Issac is connected to, including:

- bjow_ett
- issac_rushton
- zac.power.7
- rentersaustralia
- beat_slaya

This all raises red flags, and I wanted to let you know what's been happening.

This is really important to me as I'm trying to get to the bottom of some serious issues. I completely understand if you'd prefer not to get involved, but I'd really appreciate it if you could let me know if you've noticed anything off or had any contact with these accounts, Issac, or his business.

Take care and stay safe,
Tony

Bjow_ett account I presumed was you but now believe it was Issac Rushton
