Dear Mr Smith,

I refer to your correspondence sent to the NSW Police Force Customer Assistance Unit on 9 December 2025. Your correspondence was subsequently forwarded to the Kings Cross Police Area Command for assessment.

Upon receipt of your concerns, the matter was referred to the Professional Standards and Service Delivery Command Inspector for review. The issue identified was *Investigation Process – Failure to Investigate*.

Plain Clothes Senior Constable De Angeli has advised you that he was unable to take further action as the elements of the offences under Sections 192K, 192J and 192I of the Crimes Act could not be substantiated. As a result, I have declined to pursue further investigation into this matter, as permitted under Section 132 of the Police Act.

I trust this clarifies the outcome of your concerns, and I thank you for contacting the NSW Police Force.

Yours sincerley,

Jill Walters
